

ECO MAXIMUS

SRI LANKAN ELEPHANT DUNG RANGE

paper high

eco-friendly handmade paper

Our new Eco Maximus elephant dung products are full of colour and fun. They are made from 75% elephant dung and 25% recycled paper. Eco Maximus's aim is to educate the local communities on the plight of the Sri Lankan elephant and to eventually live together in harmony. Maximus were the winners of the BBC world challenge 2006. When you order this range we will send you a variety of designs and colours for each product unless otherwise requested. All products are filled with multi coloured elephant dung paper.
